MrAPPLE
NEW ZEALAND LTD

Commercial Accountant

Mr Apple is New Zealand's largest vertically integrated grower, packer and exporter of apples. They continue to grow and enjoy success. Based in Whakatu, this is a great opportunity to move into a pivotal role in their finance team. You will be joining a switched on crew who have a strong focus on commercial performance. Reporting to the CFO, your input into accurate and timely reporting will have an impact across all levels and functions of the Mr Apple business.

This role has a strong operational focus. You must enjoy working with the daily detail as much as you do with the big picture. Key responsibilities will include oversight of daily transactions through to preparing monthly financial reports and assisting with year end reporting and annual accounts. You will be involved in providing pivotal support to the CFO and other key Managers across the business. Integration to a new accounting package is about to commence so your exposure and involvement in that will mean there is plenty of variety in your work.

We need someone with a proven track record in financial accounting. You must relate well to a commercial environment, and understand the relationship between the numbers and the business. You will be interacting right across a really supportive team. Proficiency with computerised accounting packages and Microsoft Office is essential. A tertiary accounting qualification is desirable, however candidates qualified by experience will also be considered.

This role will offer the right person a genuine opportunity to establish themselves in a significant Hawke's Bay business. **Please email your CV to careers@redconsultinggroup.co.nz quoting reference number 2767 or phone the team at Red, in complete confidence to learn more about this role. Telephone 06 877 6637.**
